

2010 RATES

Use these rate tables to compare rates
for the plans you're interested in.

Important information about our rates

What determines your rate

Your rate is based on the following:

- the plan (or plans) you select
- the subscriber's age and gender
- how many family members are covered

If you add or drop eligible dependents or if the subscriber progresses into a new age bracket, your monthly rate may change. Rates include the monthly premium for Delta Dental of Ohio, which is not optional.

Who is the subscriber?

In a plan with family coverage, you may choose which spouse will be the subscriber. Sometimes you may get a lower rate by listing the other spouse as the subscriber. You may switch subscribers later if you like. Simply send a letter signed and dated by the subscriber requesting the change to Kaiser Permanente Membership Accounting, P.O. Box 921005, Fort Worth, TX 76121.

Finding your rate

After you've determined which plans you are interested in, you can use these charts to easily compare the rates.

- Find your desired plan(s) in the chart.
- Then determine the category of coverage that you're looking for in the left-hand column (Single, Subscriber + spouse, etc.).
- Next, scan the top row to find the age of the subscriber.
- You will find your rate in the box where the column and the row intersect.

Try different combinations

Sometimes one plan may not work for everyone in your family. Maybe one family member needs coverage the others do not need. For example, a couple might opt for a lower rate as single subscribers on a deductible plan, while their children might need the extra coverage offered by a copayment plan. Try various combinations to get your best fit in coverage and price.

Child-only rates

Most of our plans offer child-only rates, up to age 18. Each child must apply separately. Monthly child-only rates apply only when the child is the sole plan subscriber. These rates do not apply to plans with adult subscribers. Monthly child-only accounts are not available on the HSA-qualified deductible plans as children cannot be subscribers on HSA-qualified deductible plans.

Medicare-eligible subscribers

Our KPIF plans are not available for new members age 65 and over who are eligible for Medicare. If you are 65+ years of age and Medicare eligible or are under age 65 and entitled to Medicare on the basis of Social Security disability, you may be eligible for lower rates under Kaiser Permanente Medicare Plus. Please call **1-800-551-5353** for more information.

Rates are effective January 1, 2010, through December 31, 2010. As of January 1, 2011, these rates may change.
